PIMT- PUNJAB INSTITUTE OF MANAGEMENT & TECHNOLOGY

“A Center of Academic Excellence”

PIMT is listed under Section 2(f) of **UGC. It** is the oldest Multi Disciplinary institute in Punjab and was established in 1997. We are imparting Quality Technical Education and has transformed into the Center of Excellence over the decade and running courses like **MBA, MCA, BCA, BBA, MCA(LEET), BTTM PG Diploma in Digital Marketing, B.Com.(Hon.), B.Sc Agriculture, B.Sc. MLS, International Diploma, Diploma in Fire and Safety Management, B.Voc Data and Web Analytics.** The institute houses state of the art academic infrastructure spread over 5 acres of land. Fully **Wi-Fi campus** is now vibrant with large number of students trying to attain excellence in technical skills and inculcate human and social values making them a true professional ready to face the global challenges.

ABOUT GESWT

Gobindgarh Educational and Social Welfare Trust runs **PIMT**. It is managed by professionals that is a nonprofit, non-proprietary educational body. The trust is well recognized in the academic world for its progressive approach and commitment to excellence. Centralized policies, decentralized administration, well designed institutional programme and flexible management system are the basis of its unique identity. Along with PIMT, they are also running the chain of institutes like GPS and GPC.

CHAIRMAN'S MESSAGE

PIMT is run by Gobindgarh educational and social welfare trust, Mandi Gobindgarh. The trust is well recognized in the academic world for its progressive approach and commitment to excellence. The trusts main aim is to provide a beginning platform to the youth for pursuing an outstanding career in the fields of Information technology, Management, Agriculture, Tour and travel. This was given a concrete shape by starting Punjab institute of management and technology in 1997. In today's scenario, hoarding knowledge ultimately erodes one's power. If one knows something very important, the way to get power is by actually sharing it. So PIMT is committed to provide quality education in building the future of today's youth. PIMT's main aim is to produce talented and skillful personalities with power of guts, to face the new challenges of corporate world with new zeal and outlook. The foremost aim of our institution is to develop the intellectual abilities of the students, cherishing them to align themselves with the industrial requirements. At present all of us face a common threat the coronavirus – COVID 19. Today's declaration of a pandemic is a call to action – for everyone, everywhere. It's also a call for responsibility and solidarity – as people united. As we fight the virus, we cannot let fear go viral. Let's move forward with resolve and without stigma. However, Punjab Institute of Management and Technology did best efforts to provide better education at home for students.

GAIETIES @ PIMT

LOHRI CELEBRATION

New academic session Jan–June 2020 commenced with lohri celebration in Punjab Institute of Management and Technology with a great pomp on 14 Jan 2020 in the presence of Director PIMT Dr. Manisha Gupta. The traditional bonfire was lit as per religious rituals to mark the ending of winter and inmates offered prayers to Almighty for welfare of Pimt Family, Students and society hoping for a better spring session. Staff and students gathered around the bonfire and throw til, puffed rice and popcorns into the flames of the bonfire. The programme concluded with disbursement of traditional Prasad , Sweets and tea . The Institute always organize such cultural and social events and consider it as inevitable for over all personality development of students.

NATIONAL VOTER'S DAY CELEBRATION

IT Department of Punjab Institute of Management and Technology celebrated National Voter's Day by organizing Digital Slogan Making and Presentation Making completion. Students used their creative ideas to demonstrate why we vote and what are benefits for casting a vote. In Digital Slogan Making Nisha Paul (BCA 4) stood first, Prabhjot Kaur (MCA 4) stood second and Manpreet Singh (BCA 6) stood third. On other hand, in Presentation Making Navdeep Singh (MCA 4) took the first rank, Jyoti (MCA 6) ranked second and Navjot Kaur (MCA 4) ranked third. Overall this event was scheduled to create awareness among all to choose a better kingdom.

GUEST LECTURE ON CROP RESIDUE MANAGEMENT BY DEPUTY DIRECTOR KVK, FGS

At PIMT, emphasis is given not only on making students' Academically brilliant, but also true leaders and team players, thus preparing them for the real competitive world. This is done by inviting expertise of various streams to provide valuable information to our students. Punjab Institute of Management and technology along with K.V.K Fatehgarh Sahib has organized a Guest lecture on crop residual Management. Dr. Vipan Kumar Rampal (Deputy Director, K.V.K, FGS) and Dr. Shive Bambota (K.V.K, FGS) shared valuable knowledge about the crop residue management. Institute has also organized declamation competition among B.Sc. Agriculture students on the same topic in which Anju Bala (B.Sc. Agriculture sem 8th) stood first, Manish & Gowhar (B.Sc. Agriculture sem 8th) stood second and Risham (B.Sc. Agriculture sem 8th) & Poonam (B.Sc. Agriculture sem 6th) stood third.

BASANT PANCHAMI CELEBRATION

Punjab Institute of Management and technology organizes many events to commemorate our traditional festivals thus, Basant Panchami was celebrated on 31 Jan 2020. In this event many spring related competitions for students such as kite making, Kite decoration, Dessert making, Kite flying were organized. In this event Miss Anita (BTTM 4th) and Mr. Sidharth won the title of Miss and Mr Basant however Miss Loveleen was chosen as Miss Charming.

AWARENESS CAMP

Education is way of imparting knowledge , skills and this sentence is proven by **PIMTIAN's** where students from Agriculture department of Punjab Institute of Management and technology under Rural Agriculture work experience program along with **NSS unit** organized one day awareness camp at Village Dharamgarh, Amloh to generate awareness among farmers about the health hazards of excessive use of chemicals (Synthetic Fertilizers, Pesticides and herbicides) in the field. Camp was organized in the coordination with Sardar Bahadur Singh a progressive farmer who follows strict instructions from P.A.U for crop cultivation and is a successive seed breeder. Such activities boost confidence in students to demonstrate their learnings through face to face interactions in public.

WETLAND DAY CELEBRATION

Students from Punjab Institute of Management and Technology celebrated wetland day in Khanna. On this occasion PIMT's NSS volunteers and Environmental science students addressed the crowd about soil moisture, water pollution and made effort's to raise awareness for preserving valuable natural resources of water as well as Biodiversity.

VISIT TO M.S RANDHAWA FRUIT RESEARCH STATION, GANGIAN

Punjab Institute of Management and technology utterly believe in revealing our students to pundit, thus Frequent industrial visits are organized for the students to expose them to the industrial work culture and environment. Students from 8th semester of B.Sc. Agriculture of Punjab Institute of Management and technology visited MS Randhawa Fruit Research center, Gangian and participated in seminar held over there. The chief guest of the seminar was Dr. Khushwant Singh Ahluwalia (P.A.U) who gave information on other auxiliary pursuits like fisheries, piggery and beekeeping. During this visit students studied about various varieties of mango, litchi, peach and lemon as well as learnt various propagation techniques from Horticulturist.

YOUTH DAY CELEBRATION

BTTM students at Punjab Institute of Management and Technology, on 22 January 2020 celebrated National Youth Day. On this occasion many Competitions like Slogan writing and poster making were organized to motivate students. In slogan writing Miss Loveleen Kaur (BTTM IV) won first prize, Miss Anita (BTTM IV) and Mr. Vishal (BTTM IV) won 2nd prize and Miss Maninder Kaur (BTTM 1st) secured 3rd position. Dr. Manisha Gupta (Director PIMT) congratulated the winners.

TRIP TO AMRITSAR

PIMT hosts and Coordinate a number of trips for students throughout the academic year. Our collage trips have the element of adventure, leisure, education & time for oneself to explore inner strength through various fun activities.

A collage trip to Amritsar was organized on 21- Jan 2020. Students visited Golden temple and Wagah Border.

GROOMING AND HOUSEKEEPING WORKSHOP

Travel and Tourism Department of Punjab Institute of Management and Technology organized grooming and Housekeeping workshop for BTTM Students. In Grooming workshop, students get the chance to learn about different hairstyles, best make up techniques and professional outlooks.

In Housekeeping workshop, students learned how to make bed and table set up for hotels. This training is essential for good housekeeping as students must know to work safely with the products they use and also effective housekeeping

is an ongoing operation; it is not a one-time and hit-and-miss cleanup done occasionally.

MOTIVATIONAL LECTURE @ PIMT

PIMT Organized a "Life Changing Motivational Guest Lecture" for the students. Ms. Tanu Verma was addressed as motivational speaker. The personality tried to work on student's problem by sharing her personal experience regarding various difficulties of life. All students were immensely benefited by her motivated words. It impacts great on student's development side. The main objective of this lecture was to motivate the students and develop creative thinking in students so that their overall personality can be enhanced which will help to their professional life.

WORKSHOP ON DIGITAL MARKETING

Punjab Institute of Management and Technology Organized a Workshop on Digital Marketing for Management and IT students. In this workshop

Mr Manmohan Singh Dhillon (Marketing Manager - 2, Mohali) spoke on Digital Marketing and taught how to make earning account on Amazon for their SEO. Secondly, he shared students about new technology entrepreneur Small Business which is going to rule in Digital Marketing World.

COLLAGE MAKING COMPETITION / 550TH BIRTHDAY CELEBRATION OF GURU NANAK DEV JI

A collage making competition was organized by Punjab Institute of Management and Technology to commemorate the 550th Gurupurab of Guru Nanak Dev Ji. Many students took part in this competition and students expressed their views by making a collage about the life of Guru Nanak Dev Ji and the teachings given by Him. In this competition Jyoti (MCA 6th semester) took the first place, Jaswinder Kaur (MCA 6th semester) got the second position and Monika (BBA 4th semester) got the third place. In addition, Loveleen Kaur (BTTM 4th semester) was awarded the Consolation Award. The main objective behind organizing such events is to motivate the students to follow the teachings given by Guru Nanak Dev Ji and to deliver the message that all religions are one and we should take all religions together and fulfill our life goals.

ENGLISH COMMUNICATION CLASSES @ PIMT

The art of communication is language of Leadership" English Communication course for students was started by Punjab Institute of Management and Technology. A head start of this course was by Ms. Balwinder Kaur (MD, Future Smart). This course has been started to improve students' communication skills for their career prospects. The main objective of this course was to prepare students for the corporate sector. In this course, students were taught regarding self-introduction and they were given information related to Grammar. Students from outside the colleges were also invited to this course so that they too can improve their communication skills and use it in their careers

STUDENTS AND FACULTY REVIEWS ABOUT PIMT

Taking Admission in PIMT Alour is like paying for an exclusive world tour. the collage is comprised of different nationalities which makes it a global community for diverse learning.

Rukhsar Bano (Travel and Tourism)

PIMT Alour proved to be a pool of Opportunities for me. It provides us with various platforms to showcase our abilities and skills that are highly required. We get training on interview skills, Communication skills and many more. I thank PIMT for constant support.

Lalit Kumar (MBA-4)

I spend 4 years in PIMT and this has been an absolutely unforgettable period of my life. PIMT is not only professional in teaching students but is also good at taking care of students learning by performing practical experiments.

Anju Bala (B.Sc Agriculture)

STUDENTS AND FACULTY REVIEWS ABOUT PIMT

Dear Friends, Colleagues, And Alumni. We are pleased to share some information about BTTM Department . **BTTM** is a 4-year full-time undergraduate course divided into 8 semesters. The program aims to build in eligible candidates a firm foundation in all facets of the tourism and hospitality industry. Students are taught advanced concepts involved in marketing management and planning skills and their application to various fields within the industry. Graduates in this degree program in tourism will develop a strong working knowledge of the tourism industry. Faculty and staff are great and very helpful. Many activities are organized by the departmental staff very well for good project ideas as well as innovation. We are dedicated to enabling aspiring students to make informed decisions on their path to academic success. We help students to recognize their individual needs, and provide them with the information they require to match themselves with an institution that will polish their skills and help them grow as professionals.

Thanks & Regards

STUDENTS AND FACULTY REVIEWS ABOUT PIMT

Dear Friends, Colleagues, And Alumni. We are pleased to share some of the exciting news in the Department of Management at Punjab Institute of Management & Technology, Alour Khanna over the past few months or year. The Department of Management has recorded consistent improvement in its academic, research and placement performance. It offers a range of innovatively designed programs whose curricula are constantly updated to meet the changing requirement of the industry and to meet the needs of major stakeholders. Management is a versatile and evergreen branch. Department has well qualified and dedicated faculty with well-developed laboratories. We impart quality education through sound theoretical knowledge, as well as computational skill and exposure to recent technologies by visiting industries & expert talk. We believe that our students have been well accepted in their job profiles and have consistently exceeded expectations of the corporate world. During study at the department, the students are encouraged to get hands-on experience in the corporate world through internship projects with reputed organizations. In their curriculum, they are encouraged to take up mini projects to supplement theoretical knowledge with practical experience. They also undertake projects benefiting local industries or dealing with local problems. These projects enable them to understand the relevance of working in a group and also help them to realize the finer aspects and importance of teamwork. With all these inputs one finds our students hardworking, practical-oriented and effective in any work environment. We have designed our syllabus to strike a balance between professional knowledge and personal skills. This newsletter is an attempt to highlight the achievements of the department, in spite of the space constrain we have showcased the best and look forward to have more in the future on a quarterly edition. I wish good luck to the entire team of editors and look forward for your kind patronage to our newsletter.

Thanks & Regards

STUDENTS AND FACULTY REVIEWS ABOUT PIMT

Dear Students,

I'm very glad to reach out to you all through this newsletter of our institute in this year. It has been another fantastic journey for the institute. The past semester has been really adventurous and enthralling to us that nurture the students' knowledge through innovative pedagogy here. While "intellectualism" is the attire being donned by educational institutions, Punjab Institute of Management & Technology stands for its "Wisdom". We provide opportunities to students to participate in various technical and computational events, competitions. PIMT is always committed not only for its students, but for the industry and society as well. The kinds and levels of theoretical and practical programs that we have in the institute signify the dedication we have toward all the stakeholders. The unique system we have at PIMT fosters the culture of questioning the conventions and seeks probable solutions in most sustainable modes. These solutions for the real-life problems are in fact put under rigorous check and are deployed to the stakeholders, be it the industry or society. Faculty here are always guiding the students in their pursuit of finding out themselves; their real selves and mentor them in a direction that they can find rewarding careers for themselves. Faculty don't limit themselves to classroom teachings, in addition they actively take part in research and consultancy activities which contributes to the growth of the industry. They collaborate with industry and share the expertise between them for the benefit of students as well as industry. Wishing you all a safe Year ahead.

Thanks & Regards
