ACTIVITIES IN PIMT

ACTIVITIES IN PIMT

ANTI-RAGGING CAMPUS

The poster is for PIMT (Punjab Institute of Management & Technology) and is titled "ANTI-RAGGING CAMPUS". It features the PIMT logo on the top left and right. The main text reads "PIMT" in large red letters, followed by "A RAGGING FREE CAMPUS" in red. Below this is a large red prohibition sign (a circle with a diagonal line) over the words "NO RAGGING" in black. At the bottom, a yellow banner contains the text "ANTI-RAGGING HELPLINE NO.: 93562-53001, 9915078763" in red. Below the yellow banner, the text "Say No To Ragging@ PIMT" is written in blue.

WIFI Enabled Campus

The campus is Wi-Fi enabled having 100 MBPS exclusive connectivity. Students can access the web 24/7 in the campus & hostels. They can use dedicated labs in the campus to access the Internet facility.

Library

The library with its vast collection of management literature and electronic resources is a key resource of the Institute. The library is equipped with a variety of learning media. It has a great collection of books including the most recent publications in a variety of areas covering, but not limited to, Business, Economics and Management. The PIMT library subscribes to a number of periodicals which include scholarly international as well as national journals and business magazines. The Library also maintains an archive of various in-house events, lectures and programmes. Our Library is a lifetime member of National Digital Library (NDLI) and subscribed to Infilbnet. It helps to access the quality study material developed by the subject experts. It has a comfortable reading room and reading lounge and has seamless Wi-Fi Internet connectivity.

Teaching Pedagogy

With legacy of innovation in teaching learning process, various courses taught at the institution are based on the dimensions unknown to conventional educationists. At the forefront of this effort, institute has an academic excellence programme with the aim of nurturing outstanding managers and maintain higher domains of professional ethos.

Synergizing Research and Development

In the direction of aligning the vision of institute with emerging needs of corporate world, institute creates cutting edge research that students are privy to and respect the close connection. Students are provided with a framework to work on cutting edge Technology & Management style. They are nourished to the goal oriented skill set and learn Business & Professional ethics by heart.

E-Learning

Smart classrooms are equipped with multimedia LCD projectors, Wi-Fi technology, and internet connection to make the teaching learning process more innovative and effective. More emphasis is given on interactive session between students, faculty and experts from industries through group discussions, seminars and conferences.

State of the Art Computer centre & Laboratories

The institute is fully Wi-Fi and has state of the art computer and hardware infra-structure and laboratories for fulfilling the needs of the students & faculty to keep it at par with the best institution in this region. The computer student ratio is highest at 1:1. Wide variety of software consisting of latest web development tools, data base tools, market research, industry information tools, along with multimedia and office automation tools are accessible. The institute is proud of possessing HP blade Server. The lab is equipped with Cyberoam UTM to meet bandwidth management & Security issues. Institute has the state of art agriculture tabs luny-equipped with ultramodern electron microscopes & various tools. Department of agriculture is proud to have a well cultivated organic farmland. Institute also provides the state of the art Airlines and Tourism Labs including the Grooming Lab, Geography Lab. Travel Desk, From Office Lab, Housekeeping Lab, and Basic Kitchen Training Lab which assist the students to inculcate professional attributes.

Quality Conscious

The philosophy of the institution provides a framework that makes students fully competitive and ready to face current challenges with the body of Business & Professional ethics. The institute has created a unique learning experience that focuses on all round student development.

Value is not only money it is much more....

The intellectual stimulating environment enhances the value of education through its well-articulated mentoring programme wherein students are continuously evaluated throughout the tenure of course through class tests, assignments, projects, presentations, live projects, case studies and training in industries. Students are not only assessed in knowledge and skills but also on their professional attitudes.
